Gentlemen and Mrs. Bradbury:

Attached hereto is a resolution pertaining to a zoning ordinance amendment acted upon by the City Plan Commission at their meeting held January 24, 1983. In addition to the reasons outlined in the resolution, the following are additional remarks pertaining to the ordinance:

1. Bill No. Z-83-01-03
2. From R-1 to R-3
3. Intended Use: Office for Lady Bug Exterminators
4. Plan Commission Recommendation: DO PASS

This ordinance received a DO PASS recommendation for the following reasons:

- REASONS:
- a. The need for the rezoning arises from conditions peculiar to the property involved and the condition is not due to the general condition of the neighborhood.
  - b. The strict application of the terms of the Zoning Ordinance will constitute an unusual and unnecessary hardship if applied to the property for which the rezoning is sought.
  - c. This rezoning will provide for a buffer between the industrial zoning on the east side of Northrop and the single family neighborhood to the west of the property to be rezoned.

If there are any questions with regard to this ordinance, please feel free to call on us.

Respectfully submitted,
